Goldenberg Schneider Consulting, LLC

Jack Welsch

Sr. EHS Auditor and Compliance Manager

Profile:

Jack Welsch is an attorney and Certified Professional Environmental Auditor (CPEA). He has over 20 years of experience working with environmental, health, and safety issues in both the private and public sectors.

He has participated in and led EHS audit teams in a wide variety of sectors including: chemical manufacturing, food processing, electronics assembly, general manufacturing, administrative offices and others.

Prior to joining Goldenberg Schneider, Mr. Welsch managed the Washington, DC office of Enhesa, leading its auditing and environmental consulting practice in North America. Mr. Welsch's time at Enhesa also included spending two years stationed at the company's Brussels, Belgium headquarters.

He has also served as an Enforcement Specialist with the Virginia Department of Environmental Quality where he negotiated civil settlements to resolve environmental violations related Clean Water Act and Clean Air Act issues. He has also served as Senior EHS Regulatory Counsel for Stateside Associates.

Mr. Welsch holds a Juris Doctor and Masters Degree in Environmental Law from Vermont Law School and a BS in Environmental Biology from Ohio University.
